

Disclosure Requirement Notification

In accordance with State of Minnesota Statute 115A.9302, all refuse hauling companies are to provide notification of their waste disposal process to new customers within 45 days of their agreement to have services provided for them. This same requirement applies to all customers once per year to provide notification of any changes.

This notification is to include a list of alternative facilities used by the hauler, approximate percentages of waste deposited at the two primary facilities, the disposal facility name, location, permit number, and type of waste. Notification is also to include the following statement.

“You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.”

Douglas-Pope Counties: 100% of the residential and commercial waste volumes collected in Douglas by Long Prairie Sanitation Inc. are disposed of at Pope Douglas Waste and Energy Plant (Permit #2097-86-0T-1), located in Alexandria Mn. Demolition waste materials are disposed at the Todd County Transfer Station facility, (Permit # SW-320), located in Browerville, MN

Todd County: 100% of residential and commercial waste collected by Long Prairie Sanitation Inc. is disposed of at Todd County Transfer Station (Permit # SW-320). Demolition waste materials are disposed at the Todd County Transfer Station facility, (Permit # SW-320), located in Browerville, MN

Morrison County 100% of residential and commercial waste collected by Long Prairie Sanitation Inc. is disposed of at Morrison County Landfill (Permit # SW-15). Demolition waste materials are disposed at the Todd County Transfer Station facility, (Permit # SW-320), located in Browerville, MN or Morrison County Landfill (Permit # SW-15) located in Little Falls, MN
